A Partnership Built on Innovation

We’re building a community that elevates quality of life in Riyadh through Mashael Alfursan.

Developed by Ezdihar Real Estate in strategic partnership with NHC, the Kingdom’s leading developer, the project reflects the spirit of Vision 2030, driven by innovation to create sustainable, integrated destinations that enrich everyday living.

Master Developer

NHC takes pride in developing destinations that offer everyone a better life today and a brighter tomorrow. We don't simply meet quality standards, we redefine them, setting new benchmarks for excellence.

Since 2016, we have embarked on a journey to build sustainable communities that pulse with life, thoughtfully designed environments that reimagine modern living. Our developments enrich residents' and visitors' experiences across every aspect of daily life, through carefully planned locations, essential amenities, retail centres, and generous green spaces.

At NHC, we are committed to creating integrated urban destinations where individuals and families thrive: spaces that elevate lifestyles, enrich experiences, and foster long-term value for generations to come.

The Developer

ازدهـــار
ezdihar

Ezdihar Real Estate is shaping the future of modern living through pioneering developments that merge innovation, quality, and vision; aligned with Saudi Vision 2030.

Our foundation rests on three pillars: strategic locations, superior quality, and forward-thinking design. These principles position Ezdihar as a new generation of real estate developers focused on experience, sustainability, and human connection.

With expertise and purpose, we create destinations that redefine how communities live and work, setting new benchmarks for quality of life and business excellence in the Kingdom.
